Quality Assurance Engineer

Contract: Permanent

Gecko Biomedical is a fast-paced medical device company, dedicated to the development of innovative tissue reconstruction solutions. We are leveraging our technology platforms to develop novel solutions to disrupt the field of surgery and positively impact the life of patients.

We are actively looking to recruit a Quality Assurance Engineer to be part of Gecko’s Quality Team. This person will support the development and implementation of the Quality System and undertake the key day-to-day quality activities.

- Duties & Responsibilities
  ✓ Developing, assisting and/or implementing procedures, as required, in accordance with the company strategy towards ISO 13485:2016 and FDA 21 CFR part 820;
  ✓ Managing the Electronic Document Management System (EDMS) and supporting the involved departments (Research, Development, Manufacturing, etc.) in its use;
  ✓ Ensuring the audit program application and follow up until the audit report is signed (Internal and External);
  ✓ Ensuring an effective implementation and follow up of the continuous improvement activities: Corrective Action and Preventive Action, Non-Conformity and Change Control (Internally and with suppliers);
  ✓ Ensuring in conjunction with the involved company’s function (Project Lead, Manufacturing, Clinical etc.) that the elements required for the suppliers’ evaluation and selection are obtained;
  ✓ Participate in the software validation related activities.

- Qualifications & Skills
  ✓ Engineering Degree or equivalent;
  ✓ Excellent communication skills (written and verbal) in English;
  ✓ Minimum of two years of experience in Quality in Medical Device or a life science company;
  ✓ Working knowledge of ISO 13485;
  ✓ Competent in internal and external (suppliers) interactions.

- Other Skills
  ✓ Dynamic and proactive;
  ✓ Passionate about quality and health care products;
  ✓ Disciplined and very well organized;
  ✓ Enthusiastic;

The Quality Assurance Engineer will report to the Quality Assurance Manager. The position is based in Paris, France. To apply to this position please email your CV to jobs@geckobiomedical.com
