

Laboratory Technician

Contract: CDD, 12 months

Gecko Biomedical is a fast-paced medical device company, dedicated to the development of innovative tissue reconstruction solutions. We are leveraging our technology platforms to develop novel solutions to disrupt the field of surgery and positively impact the life of patients.

We are actively looking to recruit a **Laboratory Technician** to be part of Gecko's Innovation Hub. This person will be responsible for assisting in the daily laboratory management duties and to support the teams in performing experimental tests.

Duties & Responsibilities

- Assist the Laboratory Manager in the daily lab management tasks (orders, maintenance and calibration of equipment...)
- Support the Laboratory Manager in managing the suppliers and subcontractors
- Redaction of quality documents related to procedures and equipment (work instructions)
- In collaboration with the Laboratory Manager, ensure that the safety practices and procedures are fully followed in the laboratory
- Support the Innovation Hub teams performing characterization and performance tests on Gecko polymers and devices
- Organize, file and maintain accurate laboratory records for the executed experimental work.

Job Environment/Interactions

- Work closely with Gecko's Engineers and Scientists to:
 - Ensure they are working following the safety rules and procedures
 - Support them on their projects, performing experimental work
- Frequent interaction with suppliers and subcontractors

Qualifications & Skills

- *DUT/BTS /Licence Professionnel* in Chemistry, Material Sciences or Biology
- Sensitivity to safety practices and procedures in laboratories
- Hands on experience on pre-clinical and performance tests
- Hands on experience on mechanical testing of materials would be appreciated (e.g. tensile testing, rheology)
- Good communication skills in English (written and verbal)

Other Skills

- Organized, rigorous and team player
- Multi-skilled (work across different teams)
- Curious and creative in approaching technical challenges
- Passionate about improving patient's life

The Laboratory Technician will report to the Laboratory Manager. The position is based at Gecko Biomedical Laboratory in Paris, France. To apply for this position please email your CV to jobs@geckobiomedical.com
